skeleton only

caught & measured by A. J. Reed

ditto skin destroyed by dog

ditto ^{big embryo} skull badly damaged

ditto no embryos

ditto shot, jumping from cecropia tree eyes show flight feathers

shot in palm tree eight thirty AM

dropped from cocoon at 8:30 P.M.

Age 125.7

end of tail feathers white name tsuda tsuda (Gulf)

shot in rain forest 8:00

shot from cocoon tree 8:30

In Spirit

Brought in by native, skeleton

Brought in by native, Boiana large moulting patches, ventral dusky color tates greatly enlarged

Brought in by native name Havada

iris brown

side of bill rice only

iris dark brown

side of bill dark rice

name BAPPE-DIRE (Havada)

Brought in by native

shot from tree by native hunter

shot from tree by native hunter

iris dark brown bill part top whitish dark white rest brownish

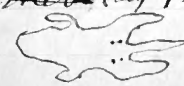

Brought in by native

brought in by native name Havada

shot by native who brought it in to young of 1374, stomach contained some leaves

native name Havada

shot by Kuni hunter malitohed by shot
 caught by high carrier in tree above camp.
 caught in trap on grass ridge
 caught in trap in woods eaten by ants.
 caught in trap on grass ridge
 shot last night while feeding in tree Bot. No
 shot by Kuni hunter in woods. ~~Kuni~~ - ~~Motu~~ - BELA-SELA
 pronounced tsela-tsela (gull)
 caught in trap on grass ridge same set as 1543-1545
 trap baited last night about 9:00 PM. No bait not rebaited
 shot by native hunter in woods
 Kuni name DEWA brought in by native
 brought in by native Kuni name I FOLA
 said to come from high on top above Mapule
 ditto
 Kuni name GONEMA
 ditto
 Kuni name GUSUMUA
 Fore arm 44.1
 In spirit embryo of 1554
 shot at bush from lower part of 4 (3 others)
 Fore arm 38.7. Flange height 4.8 - width 2.3
 Kuni name BUKU Bought from Kuni native
 In trap on grass ridge same set as 1543
 same set as 1558
 2 embryos in left horn & 1 in right horn largest left near 15.9
 same set as 1559
 by tree edge of grass forest
 same set as 1561
 caught in trap in dry forest by a. s. hand
 brought in by a native through the cage
 same set 1560
 same set 1565
 by tree in open forest
 brought in by a ~~trapper~~ Kuni name Katic
 caught on grass ridge
 caught on grass ridge
 same set as 1562
 brought in by a ~~trapper~~ Kuni name Ue. ~~Flange~~ ~~same~~
 Fore arm 149.5
 brought in by a ~~trapper~~
 shot by Kuni hunter in woods
 brought in by a ~~trapper~~ native
 H & B 3 ft. - tail missing
 caught on grass ridge
 caught on grass ridge
 caught on grass ridge
 2 in picture & 2 pr. of irregular mammal
